

Hey crypto family,

Every month, we send an email that's designed to keep you up-to-date on crypto tax news. And because we like having fun, we also include one crypto meme that made our team laugh. So, sit back, relax, and enjoy this newsletter (and don't miss out on this month's product tip that may help you save thousands of dollars on your tax bill!)

The infrastructure bill is passing - and it has big implications on crypto.

This month, the House passed an infrastructure bill that adds more tax reporting provisions for cryptocurrency brokers. You may remember prominent crypto companies lobbying against an earlier version of the bill a few months ago — but some experts say that the final form has even worse implications for the crypto ecosystem.

Help us build a better tax product!

When it comes to building our product, nothing is more valuable than the opinions of our loyal customers. That's why we've decided to create an exclusive Facebook group where you can share your feedback. We'll show you sneak peeks of how our product is changing and give you the opportunity to tell us how we can improve. We encourage all of our customers to join!
